#### **Role Purpose**

Grandmentors is an innovative volunteering project where older volunteers (aged 50+) use their lifetime of skills and experience to support and mentor young people leaving the care system. These young people often need a guiding hand and role model to support them to find work, continue their education or begin training – ultimately giving them the skills and self-belief to lead successful and independent lives. Volunteers meet with a young person regularly to boost their confidence and work towards goals, which are unique to each young person.

This new role will work closely with our existing Grandmentors in Warwickshire to ensure that we continue to improve and empower the lives of care leavers (aged 16-25) through the unique power of inter-generational mentoring.

#### **Key Duties Responsibilities**

- Supporting the recruitment, induction and training of new volunteers across Grandmentors projects in Warwickshire.
- Supporting the promotion and marketing of Grandmentors within Warwickshire where necessary.
- Exploring new ways of engaging local communities and businesses with our Grandmentors programme.
- Highlighting project impact and success stories through engaging case studies and storytelling.
- Attending meetings and taking notes.
- Various admin tasks and updating of databases which could include: updating volunteer information, completing impact trackers, processing volunteer DBS checks and expenses, emailing forms and resources.

## Skills

- Demonstrable passion for supporting/helping others.
- Basic IT knowledge which may include Microsoft programmes and social media platforms.
- Good communication skills – for example making telephone calls and sending emails.
- Organisational skills – for example using a diary or calendar to manage time and tasks.
- The ability to motivate, enthuse and empower yourself and others.
