# Engaging Young Volunteers from disadvantaged areas

- Insight into the lives of young people in disadvantaged areas and what motivates young people.
- An understanding of the barriers facing young people to getting involved in social action
- Examples of successful engagement in volunteering
- An understanding of how to help young people go from no volunteering to starting volunteering;

Issue – We know young people from disadvantaged areas volunteer less!

We need to understand.....

Why?

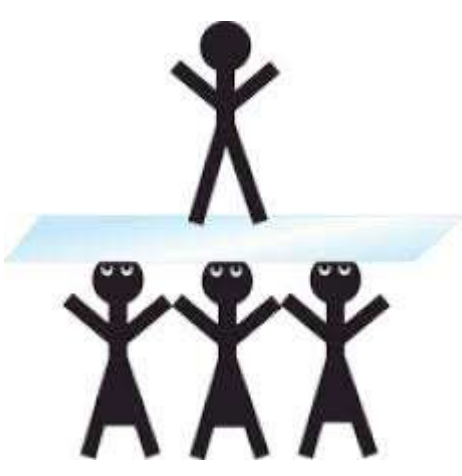

What the barriers are?

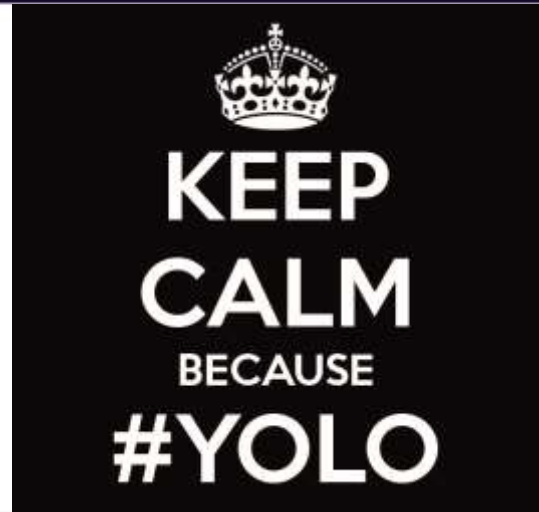

How do we overcome them?

What young people want to do?

# Volunteering or Helping Out?

Getting started is key – helping a young person go from nothing to something

What roles?

Formal or Informal?

How do you recruit?

What is it called?

Transforming Lives Through Learning
