Volunteering Matters

Everyone in the UK should have the opportunity to thrive. So we bring people together to overcome some of society's most complex issues through the power of volunteering.

We partner with communities to overcome adversity, tackling social isolation and loneliness, improving health, developing skills and opportunities and making sure young people can lead change. And because we're a national charity, we do this at scale, sharing our expertise and building partnerships to make an even bigger impact.

We turn local knowledge and energy into action and progress, building stronger communities and a better future for all.

Holywell Befrienders

Holywell Befrienders is our new, National Lottery Community Fund project, which builds on our existing work in Flintshire. By harnessing the power of volunteers, the project will work with older people (50+) living in Holywell area who are experiencing feelings of loneliness and/or isolation, and provide companionship, confidence building and encourage involvement in their local community. The project will consist of three interlinking strands: one-to-one befriending, delivered in the person's home or over the telephone; community buddying, providing support to attend community groups; and the establishment of volunteer-led group activities for beneficiaries to attend based on local needs and interests.

2. Work closely with partners/referral agencies and funders to ensure a steady flow of participants into the projects.

5. Ensure monitoring evidence and impact data is collected to measure progress against agreed outcomes.
6. Provide administrative support for the project where required, processing volunteer expenses and maintaining databases.
7. Promote the project through a range of techniques, instigating interest in volunteering and encouraging engagement.
8. Maintain effective relationships with stakeholders and project partners on a day-to-day level.
9. Prepare reports to Delivery Leader, based on agreed outputs and targets.
10. Play an active role in identifying and developing new Business.
11. Contribute to joint working and teamwork across Volunteering Matters.
